

This architectural floor plan depicts a multi-room residential building. The layout includes a central corridor (CORRIDO) providing access to various rooms. On the left side, there is a large SALON (Living Room) with a fireplace, a dining area with a table and chairs, and a kitchen (CUCINA) with a sink and stove. Adjacent to the kitchen is a BANCAL (Bench) and an ACCESO (Access) point. The right side of the plan features several bedrooms (DORMITORIO 1, 2, 3), a bathroom (BANO), and a study (ESTUDIO). A central staircase (ESCALERA) connects different levels. The plan is annotated with numerous dimensions in meters, indicating the size of each room and the overall footprint of the building. The drawing uses standard architectural symbols for furniture, fixtures, and structural elements.
